

Disclaimer

Complying with the provisions of Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data (General Data Protection Regulation), we have informed every individual listed in the SEnECA Research Database in advance via e-mail about the publication of this personal data in the publicly accessible SEnECA Research Database as well as processing of this data in cooperation with our partner Wikistan. We have furthermore informed every individual in advance via e-mail of his or her right to object to this publication and processing and of his or her right to request modifications concerning personal data items.

You have the right to object the publication at any time without the need for justification. This will have no influence on any other form of cooperation with SEnECA. In case you withdraw your consent, we and our partner Wikistan will delete all your personal data stored in the SEnECA Research Database and on our servers. Neither SEnECA nor Wikistan will continue to process or publish your data from the date we receive your objection onwards. The objection has no effect on previous data processing.

For any inquiries concerning the SEnECA Research Database, please contact the responsible project leader Prof. Dr. Michael Kaeding (University of Duisburg-Essen, Forsthausweg 2, 47057 Duisburg, Germany), preferably by e-mail: info@seneca.eu.

The responsible data protection officer is Dr. Kai-Uwe Loser (University of Duisburg-Essen, Forsthausweg 2, 47057 Duisburg, Germany) and can be reached by e-mail: datenschutz@uni-due.de and by telephone: +49/203/3791364.

Without prejudice to any available administrative or non-judicial remedy, including the right to lodge a complaint with a supervisory authority pursuant to Article 77 of the General Data Protection Regulation, you have the right to an effective judicial remedy where you consider your rights under the General Data Protection Regulation have been infringed as a result of the processing of your personal data in non-compliance with the General Data Protection Regulation. Proceedings shall be brought before the courts of Germany. Alternatively, such proceedings may be brought before the courts of the EU member state where you have your habitual residence.
